CANCEL REGISTER

5. Check your temporary email. You should see an email with a link like this:

6. Click the link in the email to proceed with registration.

7. Fill in your personal details again.

The image shows a registration form for CyberArk. The form is titled "Register" and is set against a blue background with a hexagonal pattern. It contains three required fields: "Country" with a dropdown menu showing "India", "Preferred Language" with a dropdown menu showing "English", and "Email" with a text input field containing "kqtzbrcgph@diginey.com". Below these fields are two buttons: "Cancel" and "Next". At the bottom of the form, there is a message: "Join the community to receive personalized information and customer support." followed by a link: "Already have an account?".

9. Once registered, you'll get a welcome email that looks like this:

10. Open the email and click the included link.

To get started, click [HERE](#) and login with your username.

11. Set a new password for your account.

The image shows a 'Change Your Password' form from CyberArk. At the top is the CyberArk logo. Below it, the title 'Change Your Password' is displayed. The form prompts the user to enter a new password for the email address 'kqtzbrcgph@diginey.com'. It lists four password requirements, all of which are marked with green checkmarks: '8 characters', '1 letter', '1 number', and '1 special character'. There is an information icon next to the last requirement. Below the requirements are two password input fields. The first field is labeled '\* New Password' and shows a green 'Good' status. The second field is labeled '\* Confirm New Password' and shows a green 'Match' status. A blue 'Change Password' button is positioned below the input fields. At the bottom of the form, it states 'Password was last changed on 02/10/2023 09:28.'

CYBERARK®
